

Celebrate 30!

A special anniversary gift just for you

In honor of our founder and CEO Jeanette Lynton's 30-year anniversary in the stamping and scrapbooking industry, when you place an order totaling \$50 during the month of June, you can add your choice of one of six great gift collections to your order for just \$30! Each collection has an original retail value of at least \$50—some even as high as \$65. Plus, each collection is perfectly tailored to fit a variety of interests and styles. They feature everything from gift bags to ribbons to washi tape to alphabet stickers—and much more! So make sure to take advantage of these savings and snag your own collection for just \$30. It may be Jeanette's anniversary—but you get the gift!

**Offer valid June 1-30, 2014. Shipping/handling is calculated based on the qualifying order total plus the price of the promotional item (\$30). Offer valid while supplies last. Clearance, bulk, "While Supplies Last," supply items, and Studio J™ items do not count toward a qualifying purchase (\$50), nor does the gift collection itself.*

Something for everyone! Choose your perfect gift from six collections.
